SCAVENGER HUNT

- ☐ "I help you write, but I'm not a pen. I have an eraser and a wooden stem."
- ☐ "I keep all your supplies in one safe place. Toss me in your backpack—just in case!"
- ☐ "When papers are messy and scattered around, I keep them together safe and sound."
- ☐ "I'm not a phone, but you'll find me lined. You write in me to organize your mind."
- ☐ "I'm sticky and small and come in a pad. I help you remember so you're never mad."
- ☐ "I'm full of color, I highlight with flair. Use me when notes need a little care."
- ☐ "When your math needs solving, and numbers you meet, I help you count—ain't that sweet?"
- ☐ "I'm worn on your feet, and comfy too. I'll keep you running the whole day through."
- ☐ "Your lunch goes in me, zipped up tight. I keep things fresh until you bite."
- ☐ "I'm a bottle you fill again and again. Staying hydrated is always a win!"
